will be sexually abused
by the time they turn 18.

YOU can learn the
7 Steps to Protecting Children.

Safe Shores—The D.C. Children’s Advocacy Center is offering a **FREE** Stewards of Children training (\$25 materials included at no cost) to the first 100 registrants.

Stewards of Children is a revolutionary interactive prevention program developed by Darkness to Light, a national child sexual abuse prevention organization. The program educates adults to take simple, proactive steps to **protect children** from sexual abuse, including how to prevent, recognize and react responsibly.

Training participants will hear stories from adult survivors and learn from their experiences, learn the “7 Steps To Protecting Our Children,” and receive a free workbook on the principles of choice, consciousness and personal power.
