Sponsorship Opportunities

**How many kids do you see in a day?**

**"It varies. Sometimes as many as 10.  
Sometimes, one..."**

**BUT NEVER ZERO."**

**-Benny Del Castillo,  
Prevention Specialist**

# Why We Need Your Support

Safe Shores provides intervention, hope and healing for children affected by sexual and physical abuse and extreme violence in DC, and prevents child abuse through education and training.

*We are **the** Children's Advocacy Center for the District of Columbia.*

Only with your generous support is Safe Shores able to deliver forensic services, family advocacy services, clinical services, and prevention and outreach programs.

**All services are provided free of charge.**

It takes all of us to protect children. Safe Shores works in tandem with a multidisciplinary team (MDT) that investigates and prosecutes child abuse allegations within the District of Columbia. The MDT is comprised of Child and Family Services Agency, Children's National Medical Center, Metropolitan Police Department, Office of the Attorney General, and the United States Attorney's Office for the District of Columbia.
